*"This is the plan of salvation unto all"*  
(Moses 6:62).

Once while I was visiting a class of young women, the teacher asked the class to write their top-10 goals in life. Then she asked them to share what they had written. Abby, who had recently turned 12, was sitting next to me. This was Abby's list:

Abby had a vision of the plan Heavenly Father has for all of us. When your path is focused on that most important goal of returning to Heavenly Father, you will get there! ♦
